KULALU CAMP - Just 110km west of the coastal towns of Malindi and Watamu, only 2 hours drive away, are Galana and Kulalu Ranches deep in the heart of Kenya's bush land on 1.4 million acres of pristine Africa. This huge Ranch has an unfenced border with Tsavo East National Park. Kulalu Camp sits high on the banks of the Galana River. The camp consists of five large tents, all with twin/double beds and ensuite bathrooms with stunning views of the river and the Lali Hills. A comfortable mess provides delicious meals and cold drinks. Game Viewing on Galana Ranch can be very rewarding with a chance to see elephant, buffalo, hippo, lion, cheetah, leopard and many different species of Plains Game.

Tsavo East Exclusive Safaris

Suggested Itinerary :

Day One: 09.00 departure for Kulalu, a 2 hour drive from Malindi to Galana Conservancy. After lunch relax in camp during the heat of the day, after tea depart on afternoon game drive to Tsavo East National Park. Return to camp at dusk.

Day Two: Early morning game drive with picnic breakfast in Tsavo East returning to camp late morning. Relax in camp after lunch. Depart on sun-downer game drive in the Galana Conservancy. Night game drive back to Camp.

Day Three: Early game drive in Galana Conservancy returning to camp for breakfast. After breakfast pack up and depart for Malindi.

Included: Fullboard accommodation, exclusive use of 4wd vehicle with driver/guide.

SATAO CAMP - set in the vast scrubland of Tsavo East, nestled amongst trees and surrounding a central water-hole. The semi-circular layout of the camp provides an excellent viewing point from the comfort of your veranda where one can watch many different species coming down to water. Accommodation is in 20 tents all with en-suite bathrooms with flush toilets and safari showers.
